

YOU FOUND A CLUE!

To get the combination to one of the 4-digit locks:

- Find the buttons with the dinosaur silhouettes.
- Figure out the 2 dinosaurs that are from the Cretaceous Period.
- Count how many letters are in each dinosaur's name.
- If you put the 2 dinosaurs in alphabetical order, the lock code will be:

Number of letters
in dinosaur 1 name

Number of letters in
in dinosaur 2 name
