

How to Download eAudiobooks to a Tablet, Kindle Fire, Smart Phone or Windows PC using eRead Illinois (Axis360)

- **DOWNLOAD:** Download the Axis360 app to your device. For Kindle users, this app will only work on 3rd-5th generation Kindle Fires.
- **SEARCH FOR MY LIBRARY:** Open the Axis360 app and tap *Skip to find your library or school now*. In the search box, type in Clarendon Hills Public Library and tap on the library name when it appears.
- **LOGIN:** Tap *Library ID*. Enter your library card number and tap *Login*. To add an email address to your account (required for placing holds), tap *Account*.
- **BROWSE:** If you have a specific title or author you are looking for, use the search box.  If you would like to browse by subject, click on the *Browse by Subject* link on the top left of the screen.
eAudiobooks will have a picture of headphones in the corner of the book jacket. A black headphone means the item is currently available for check out and a grayed out headphone means the item is already checked out, but can be placed on hold.
- **LIMIT:** Tap the  icon on the left side to limit your search to eaudiobooks only.
Click the  icon to limit to only items that are currently available for check out.
- **CHECK OUT:** If you are interested in an audiobook, click on the book jacket. To check out an available audiobook, tap the *Checkout*  button by the audiobook.
- **LISTEN:** Click on *Listen in your Axis360 mobile app* and begin listening. To view checked out items or pending holds click on the *My Stuff* icon (bottom of screen).
- **RETURN:** To return an audiobook early, click on *Return* when looking at the audiobook within *My Stuff*.
